

# Juan S. Casado Luna

## EXPERIENCE

### Trocitos Tropicales, San Cristóbal — *Web developer*

May 2022 - Present

Maintain, add features, and fix bugs when needed for a POS application for a restaurant.

### San Cristóbal — *Freelance Web developer*

May 2014 - Present

As a freelance web developer, I specialized in crafting simple yet effective digital solutions tailored to the needs of small businesses in my area.

### Le Bar BQ Restaurant, San Cristóbal — *Web designer*

Act 2012 - November 2014

Design and develop a visually appealing and functional website, ensuring a seamless user experience and adherence to design standards

## EDUCATION

### Universidad Autónoma de Santo Domingo (UASD)

Santo Domingo — Bachelor of Computer Science

October 2011 - 2024

San Cristobal, Dominican Republic

+1 (809) 647 0673
